

DISTRESSED DOOR REQUEST

Traditional Distressed Door Options

Original BIW Job # _____

Please check the box below for the distressed marks you want shown on your door(s):

1. Nicks & Dents
Group A Pricing

2. Bird Pecking
Group A Pricing

3. Screwmarks
Group A Pricing

4. Worn Edges
Group B Pricing

5. Rasping
Group B Pricing

6. Cracks
Group C Pricing

7. Tearout
Group A Pricing

8. Wire Brushing
Group C Pricing

9. Gouges
Group C Pricing

10. Wormholing
Group B Pricing

11. Broken Joint
Group C Pricing

Distressing is priced based on groups; choosing 2 Group A options and 1 Group B option, means that you will pay Group B Pricing.

I understand distressing is applied to give the product the appearance of years of use. This is an artistic process with no two pieces appearing exactly alike.

I have read and checked the appropriate sections that apply to my cabinetry. As such, I agree to not hold Bayer Interior Woods responsible for replacing product for these characteristics.
